

Strollin' Strings

Attention all new and former members:

Strollin' Strings, our North Olmsted after school All-City String Orchestra will begin on Tuesday, October 11th in the music room at Chestnut Intermediate School. **PLEASE NOTE: DUE TO MY SCHEDULE CHANGE, WE WILL REHEARSE ON TUESDAYS THIS YEAR.** All string players who have played for at least one year are welcome to join us. The purpose of this group is to offer younger, less experienced players the opportunity to play in an orchestra with more advanced students. We have members from grades 6 through 12. (Younger students with experience are also welcome). The music is more challenging for first and second year players. High School students offer their expertise by sitting next to, and playing with Intermediate and Middle schoolers. It is a terrific service project for our more experienced members (and looks very good on college applications). The result is a fun opportunity for string players to share their love of the instruments, and to make fun music together.

Strollin' Strings will meet from 3:45 p.m until 4:45 pm. every Tuesday. After rehearsal, parents may pick their children up in the back parking lot behind the music room. If a student needs to leave early, they simply need to let me know ahead of time. We usually play several concerts a year in the community. Bus 12 will pick up students at the Middle School on Tuesdays and drive them over to Chestnut. Bus 48 will pick up students at Maple and Pine. If parents do not want their child waiting for the bus at their home schools, they are welcome to drive their string player to Chestnut after school. Because there will be a wait after school before we can begin playing, students are encouraged to make good use of this time by getting their homework done. If you would like to join us, please give this permission slip to your music teacher. I look forward to seeing everyone on Tuesday, October 11th, at 3:45 p.m. for our first rehearsal.
