

Once Upon a Mattress

Congratulations for your child being selected for the cast or crew of “Once Upon a Mattress”. This is a large undertaking and a big commitment for students. We are looking forward to working with your child. We hope this will be an exciting and rewarding experience for them.

There are many tasks that go into making a successful production, and we have limited time, space, and budget for completing them. We invite you to participate in the production by volunteering some time to help us, and your students, stage this production. We can use your help in any of the following: Costuming, sewing (evening just hemming or button sewing), light carpentry, set painting, and gathering props. To volunteer, you need not have any previous experience.

If you would be willing to help us, please indicate which area you would be interested in.

- Set Painting
- Gathering Props
- Sewing

- I would be glad to help any way I can
